Truman Visual Communication students visited College of Fine Arts of Shanghai University

Truman students and faculty visited Shanghai Museum

### Housing and Meals

Housing will be in three-star hotels with double rooming arrangements during the first ten days travel. Continental breakfast will be provided in hotels every morning, and each lunch and dinner will be provided during the travel days in Beijing and Xi'an. Students will live in the international dormitory of Shanghai University with a single bedroom. Internet, bathroom, air conditioner, and TV are available in the room.

### Financial Aid

This Study Abroad program is part of the course offerings of Truman State University. Therefore, enrolled students may apply for any student loans for which they would normally be eligible. Please contact The Financial Aid Office (MC103) for information about possible eligibility for cultural loans, Center for International Education (KB114) or the program director, Julie Minn for more information.

### Program Description

It is a six-week summer study program at Beijing, Xian, and Shanghai. Students may participate without prior knowledge of Chinese.

### Faculty Introduction

Prof. Julie Minn is Truman's China Study Abroad summer program director.  
Prof. Ping Xu is Truman's Art Department faculty and coordinator of the internship program.  
Dr. Lin Zhang is Truman's business school faculty and Business Department program coordinator.

### Eligibility

Students in good standing are eligible to participate and will be admitted to the program in the order in which the applications are received. No previous Chinese language or Chinese knowledge is required. All levels of Chinese language will be offered at Shanghai University. The deadline for the program application is Monday, January 21, 2013.

### Registration

To receive 6 or 7 credit hours students must attend pre-travel meetings and lectures, must keep a journal during the overseas experience, and must complete a paper after returning. The international experience will be documented on each student's transcript, and will enrich the student's future class work and job opportunities.

### Benefits

1. Receive academic credit
2. Study Chinese Language
3. Study Chinese Economics and Business in Asia
4. Learn Chinese history, literature, and calligraphy
5. Experience Chinese culture, museums, gallery and historical sites.
6. Gain an increased awareness of the ongoing changes in Chinese society.
7. Gain an internship opportunity in a world leading Advertising agency Shanghai branch
8. Have an opportunity to teach English in Taiwan.
