COURSE DESCRIPTION, PREREQUISITES & MODE OF LEARNING

Designing for the web and mobile sites is about making the user experience. The ARTS-4338 INTERACTIVE DESIGN is an upper-level graphic design course in web media graphics and architecture. Interactive design (IXD) is a user-oriented field of study that focuses on meaningful visual communication design and media through collaborative processes between people and technology. The course content will focus on UI/UX Design through responsive layouts with multiple devices and platforms using emerging prototyping tools. The course is a three credit hours studio class. The lectures and demonstrations cover UI/UX Design for apps and websites.

PREREQUISITE

• ARTS-4334 Visual Communication Design III

This upper-level VCD course is only available to the students from UTRGV School of Art & Design's Visual Communication majors, Graphic Design minors, and art majors who complete the above-required ARTS-4334 course.

LEARNING OBJECTIVES/OUTCOMES FOR THE COURSE

- Responsive Design through web design applications and techniques like Dreamweaver or Webflow.
- UX Designs through Adobe XD or Figma.

LEARNING OBJECTIVES FOR CORE CURRICULUM REQUIREMENTS

A Bachelor of Fine Arts with Graphic Design Concentration at UTRGV prepares students for severe professional work in the field. The curriculum emphasizes concept development and application, work with clients, and professional development, including establishing a working portfolio. Students who graduate from the program are equipped with a broad range of practices in the design field such as interactive design, art direction, publication design, including print and advertising, multimedia and web design, motion graphics, photography, and social service design in a variety of settings. UTRGV Graphic Design alums follow various paths, including running their design studios, working for large corporations, or specializing in web and interactive media. Some students also choose to earn a master's degree in the field, opening many possible horizons.

TEXTBOOK, TECHNOLOGY, AND RESOURCE MATERIAL

No textbooks will be required for this course as I will provide lectures and learning sources to you.

GRADING POLICY

Student works will be assessed for creativity, presentation, and content value, based on professional standards. In determining students' grades in the course, consideration is given to the following areas: Attitude, attendance, constructive participation, development of concepts, aptness of thought, originality, composition, construction, curiosity, tenacity, inventiveness, presentation, and technical proficiency in working those assigned projects. The course's final grade will be the sum of the project scores divided by the number of projects.

Grade Scale (apply to each project)

Excellence_90- 100 [A]

Presents incredibly imaginative ideas and shows excellent technical/presentation skills. The project may also go well above and beyond the parameters of the exercise. Solid class discussions and critique involvement are also involved.

Above Average_80 – 92 [B]

Completes a solid overall development with original thought through project development. It also shows good design incite and work ethic. Regular participation in class discussions and peer critiques are also maintained.

Average_70 – 79 [C]

It meets the parameters of the problem but does not exhibit originality or may be presented in a condition or manner that does not effectively communicate the goals of the exercise or, in essence, lacks proper execution.

Weak_60 – 69 [D]

Unacceptable_0 – 59 [F]

ATTENDANCE

Students are expected to attend all scheduled class meetings. Students should contact the instructor before the excused absence and arrange to make up missed work or examinations.

Tardiness Policy:

A tardy means you are late over 10 minutes when you clock in. Tardiness is not tolerated in this class. Three tardies will be counted as an absence. A tardy or a lack on a critique/presentation day will result in a grade reduction for the project.

Effort Policy:

Students are expected to keep track of their performance throughout the rest of the semester and seek guidance from available sources (including the instructor) if a student's performance drops below satisfactory levels. Unprepared, late or absent to the zoom meetings, and non-participating in group projects, the student will receive a reduced project grade when applicable.

Back-up Policy:

Please back up your essential files and project folder at two different places/disks to prevent unexpected file damage or disk errors. If a late project is occurred due to fire damage, a grade deduction will still be conducted.

ABSENCE/SICK POLICY

A two-point deduction will be received for the project grade for each unexcused absence during the period of the project.

One letter will be deducted from the project grade if the student absents a class on a critique day/presentation day or delays a project.

COVID-19 RESOURCES:

Please visit the [Commitment Website](#) for the most up-to-date COVID-19 campus information and resources. The [Commitment FAQ page](#) offers additional guidance to specific questions. To submit a question for the FAQ, please email WelcomeBack@utrgv.edu.

ACADEMIC INTEGRITY

Members of the UTRGV community uphold the [Vaquero Honor Code](#)'s shared values of honesty, integrity, and mutual respect in our interactions and relationships. In this regard, academic integrity is fundamental in our actions, as any act of dishonesty conflicts as much with academic achievement as with the values of honesty

and integrity. Violations of academic integrity include, but are not limited to: cheating, plagiarism (including self-plagiarism), and collusion; submission for credit of any work or materials that are attributable in whole or in part to another person; taking an examination for another person; any act designed to give an unfair advantage to a student; or the attempt to commit such acts (Board of Regents Rules and Regulations, STU 02-100, and UTRGV Academic Integrity Guidelines). All violations of Academic Integrity will be reported to Student Rights and Responsibilities through [Vaqueros Report It](#).

STUDENTS WITH DISABILITIES

Students with a documented disability (physical, psychological, learning, or other disability which affects academic performance) who would like to receive reasonable academic accommodations should contact Student Accessibility Services (SAS) for additional information. For accommodation requests to be approved, the student must apply using the [SAS](#) and is responsible for providing sufficient documentation of the disability to SAS. Students must participate in an interactive discussion or an intake appointment with SAS staff. Accommodations may be requested at any time but are not retroactive, meaning they are valid once SAS approves. Please get in touch with SAS early in the semester/module for guidance. Students who experience a broken bone, severe injury, or undergo surgery may also be eligible for temporary accommodations.

Pregnancy, Pregnancy-related, and Parenting Accommodations

Title IX of the Education Amendments of 1972 prohibits sex discrimination, which includes discrimination based on pregnancy, marital status, or parental status. Students seeking accommodations for pregnancy, pregnancy-related conditions, or parenting (reasonably immediate postpartum period) should submit the request using the form found at [Pregnancy and Parenting I UTRGV](#).

Student Accessibility Services staff can be contacted at either campus:

Brownsville Campus:

Music and Learning Center building (BMSLC, 1.107), phone (956) 882-7374, email ability@utrgv.edu.

Edinburg Campus:

University Center (EUCTR, 108), phone (956) 665-7005, email ability@utrgv.edu.

MANDATORY COURSE EVALUATION PERIOD

Students are encouraged to complete an ONLINE evaluation of this course, accessed through your UTRGV account (<http://my.utrgv.edu>); you will be contacted through email with further instructions. Students who complete their evaluations will have priority access to their grades. Online evaluations will be available on or about:

SEXUAL MISCONDUCT and MANDATORY REPORTING

By UT System regulations, your instructor is a “Responsible Employee” for reporting purposes under Title IX regulations and so must report to the Office of Institutional Equity & Diversity (OIED@utrgv.edu) any instance occurring during a student’s time in college of sexual misconduct, which includes sexual assault, stalking, dating violence, domestic violence, and sexual harassment, about which they become aware during this course through writing, discussion, or personal disclosure. More information can be found at www.utrgv.edu/equity, including confidential resources available on campus. The faculty and staff of UTRGV actively strive to provide a learning, working, and living environment that promotes personal integrity, civility, and mutual respect that is free from sexual misconduct, discrimination, and violence. If students, faculty, or staff would like confidential assistance or have questions, they can contact OVAVP (Office for Victim Advocacy & Violence Prevention) at (956) 665-8287, (956) 882-8282, or OVAVP@utrgv.edu.

COURSE DROPS

According to UTRGV policy, students may drop any class without penalty, earning a grade of DR (drop) until the official drop date. Following that date, students must be assigned a letter grade and can no longer drop the class. Students considering dropping the course should be aware of the “3-peat rule” and the “6-drop” rule to recognize how dropped classes may affect their academic success. The 6-drop government refers to Texas law that dictates undergraduate students may not drop more than six courses during their undergraduate

career. Courses dropped at other Texas public higher education institutions will count toward the six-course drop limit. The 3-peat rule refers to additional fees charged to students who take the same class for the third time.

STUDENT SERVICES

Students who demonstrate financial need have various options for paying for college costs, such as scholarships, grants, loans, and work-study. Students should visit the Student Services Center (U Central) for additional information. U Central is located in BMAIN 1.100 (Brownsville) or ESSBL 1.145 (Edinburg) or can be reached by email (ucentral@utrgv.edu) or telephone: (956) 882-4026. In addition to financial aid, U Central can assist students with registration and admissions.

Students seeking academic help in their studies can use university resources in addition to an instructor's office hours. University Resources include the Advising Center, Career Center, Counseling Center, Learning Center, and Writing Center. The centers provide tutoring, writing help, counseling services, critical thinking, study skills, degree planning, and student employment. In addition, services such as the Food Pantry are also provided. Locations are listed below.

DEAN OF STUDENTS

The Dean of Students office assists students when they experience a challenge with an administrative process, an unexpected situation such as an illness, accident, or family situation, and aids in resolving complaints. Additionally, the office facilitates student academic-related requests for religious accommodations, supports students formerly in foster care, helps to advocate on behalf of students and informs them about their rights and responsibilities, and serves as a resource and support for faculty and campus departments.

[Vaqueros Report It](#) allows students, staff, and faculty to report a concern about a student's well-being, seek assistance in resolving a complaint, or report allegations of behaviors contrary to community standards or campus policies.

The Dean of Students can be reached by email (dos@utrgv.edu), phone (956-665-2260), or by visiting one of the following office locations: Cavalry (BCAVL) 204 or University Center (EUCTR 323).
