Hello! It's Michele from the Indigo Award 🙌

❤️ We're excited to cordially invite you to join us at our 2022 Indigo Design Award ceremony in the vibrant, historic city of Istanbul, Turkey.

🇹🇷 Spanning two continents, Istanbul is the beating heart of both Europe and Asia; an incredible place where ancient Egyptian obelisks and proud mosques mingle with a thriving cultural scene and modern innovation. It's the ideal destination for us to celebrate your exciting contributions to design. We're confident that you will love it as much as we do, and find fresh inspiration on every street and around every corner.

🏆 **Join us on the 26th of May, 2022** to soak in all that Istanbul has to offer, as well as mingle with the hottest talent in the design world.

PS. Please see attached the ceremony program for your reference and RSVP by replying to this email.

We are looking forward to seeing you in Istanbul!

Sincerely yours,

Michele Tandy
